# Asset Intelligence Report

Riverside Primary Academy

Primary School — 420 Pupils

February 2026 | Ref: SX-EDU-001 | Prepared by SnapXact

EXAMPLE REPORT

## PURPOSE & SCOPE

This Asset Intelligence Report has been prepared by SnapXact for Riverside Primary Academy. It provides a structured analysis of the organisation's IT and AV asset estate, derived from data supplied by the organisation. The report is designed to give senior leaders a clear, evidence-based view of their asset position — including risk exposure, financial planning requirements, and governance readiness. It is suitable for presentation to boards, governors, trustees, or senior leadership teams.

## ORGANISATION CONTEXT

Field	Detail
Organisation	Riverside Primary Academy
Type	Primary Academy (Ofsted Registered)
Pupils on roll	420
Teaching staff	22
Buildings / blocks	4 blocks, main site
Rooms surveyed	39
Data source	MIS system CSV export — January 2026
Report date	February 2026
Report reference	SX-EDU-001

### Data Quality Note

This report is based on data supplied by the organisation. Where purchase dates or original costs were not available, estimated values have been used. Capturing purchase dates improves financial modelling precision significantly.

## WHAT THIS REPORT DELIVERS

- Page 1** Executive Summary Dashboard — visual overview for senior leaders and boards
- Page 2** Cover & Purpose — organisational context and scope of the report
- Page 3** Baseline Asset Overview — complete verified asset table with risk ratings
- Page 4** Risk & Governance — ratio analysis, compliance gaps, and financial exposure
- Page 5** Room-by-Room Baseline — asset distribution across all surveyed locations
- Page 6** 3-Year Strategic Outlook — financial modelling and planning horizon summary
